LIABILITY INSURANCE FOR THE ANGLING COMMUNITY

We here at **MEAD** constantly monitor the needs of angling clubs and commercial fisheries in respect of liability insurance taking into account developments within the angling world. As a result, we now provide **Personal Liability Cover** for club members and/or Day Ticket Holders when **Public Liability** cover, for the organisation and it's officers, is arranged with us. *It is estimated that over 70% of accidents on fishing waters are caused by individual negligence* and as such will probably not be covered by standard **Public/Civil Liability** insurance

CORMORANTS

We have been aware of the ongoing controversy/discussions between the angling community and the conservationists in recent times. At **MEAD** we are now able to extend our combined liability cover to include the use of firearms by anyone holding the required License to Cull

WORKING PARTIES

All those who volunteer their time to help Clubs keep their waters and surrounds in good and safe condition deserve to be insured in the event that they have an accident whilst working. **MEAD** provide **Personal Accident** cover for this purpose and we can add **Bailiffs**, to include **Assault**, if required

Pollution Legal Costs PLACE

At **MEAD** we provide **Riparian Owners** up to £10,000 per annum to assist in funding **Legal Costs** required to pursue **Polluters** (subject to T & C's)

PROBLEM AREAS

Recently there have been several accidents that we would describe as 'Slip & Trip' Therefore we ask everyone to ensure that all paths, pegs, banks, fences, trees and other surrounds are regularly inspected and repaired or refurbished where necessary. Close attention by all in this respect will help us ensure that **MEAD** premiums and width of cover are kept to their current competitive level.

PROFESSIONAL LIABILITY INSURANCE for all those who GUIDE or COACH

With greater emphasis being placed by many on Angling Guiding & Coaching, MEAD have recognised the need for an extension to its Angling Liability insurance to cater for the additional exposure to risk when you are guiding or teaching the art of Fishing in all it's forms – terms on application

BAILIFFS

For those who employ **Bailiffs** there can be two elements that require consideration.

Personal Accident insurance is available from **MEAD** and this can be extended to include **Assault** (very relevant at the moment)

In addition, **Clubs** and **Associations** who have **Bailiffs** or other **Persons** who help with maintenance and other odd jobs should be aware that **Employers Liability** insurance may be needed.

WORK EXPERIENCE YOUNGSTERS

Clubs and **Fisheries** are often asked to accommodate youngsters by **Local Authorities** or **Schools**. Rather than expensive annual **Employers Liability** insurance **MEAD** now offers affordable short term cover

Full **MARINE TRADES** cover now available
